# 1000 thoughts per minute - creative thinking

1. What can a match be used for? (list at least 10 applications).
2. Write the largest possible number of associations to the word "plate".
3. Why is the well round?
4. What dish, apart from scrambled eggs, can be prepared from eggs and sausages?
5. Think about a new definition of the word "chair".

# 1000 thoughts per minute - creative thinking

6. What kind of dish would you like to be and why?
7. What is the difference between a shovel and a doctor?
8. Write a rhyme with the words "buttermilk" and "dress".
9. Draw the car without taking the pen away from the paper.

# "Survival" - together or separately?

**Aims:** learning how to work and make choices; improving the skills of creative thinking.

□ Each group is to create a list of the 10 most-needed things that they would take with them on an expedition to the Amazon (ordered from the most to the least needed).

## "Survival" - together or separately?

- ❑ The place of the trip is far away from civilization - there will be no opportunity to do shopping on site, there will also be no electricity or running water.
- ❑ In addition to presenting things that individual teams would take with them, the speakers must justify their choice.
